CCTE Calls for Nominations for Quality Education Partnership Award for Distinguished Service to Children and the Preparation of Teachers

At each Spring and Fall Semi-Annual Conference, CCTE honors a teacher education program which exemplifies collaborative efforts between a college/university and a K-12 school/district. The CCTE Awards Committee now invites nominations (and self-nominations) from programs in Northern California for the *Quality Education Partnership Award for Distinguished Service to Children and the Preparation of Teachers* that will be presented at the Fall 2008 Conference in San Diego. Next fall and winter the Awards Committee will seek nominations of programs in Southern California for the award to be presented at the Spring 2009 Conference in San Jose.

Nominations must be submitted via e-mail.

Nominees for this semi-annual CCTE award must reflect collaboration between college/university administration and faculty and K-12 school administration and faculty (individual schools, school districts, or county offices of education) in the planning as well as the implementation of the program to be honored. Eligible programs must have been in place for a minimum of three academic years. Such programs may involve public or private/independent colleges/universities and public or private K-12 schools. Nominations must show clear evidence that, as a result of the program, all partners have benefited, e.g., children, student teachers, beginning teachers, cooperating teachers, other teachers and/or administrators in the school or district, and college/university faculty.

Nominations must include the following information: the names of the leading participants in the collaborative effort; a description of the school/district/county office and its population; a history of the program, including original goals and/or research questions being addressed; a description of the perceived successes of the effort, including any synopses of evaluative data collected; and future plans for the project.

Nominations must be submitted jointly by the K-12 school/district/county office and the institution of higher education with a statement of verification by the appropriate college/university and school/district officials. Each official named in the document should send a separate e-mail verification statement.

The total nomination document should not exceed five pages.

Please submit nominations by e-mail to: arlinda.eaton@csun.edu

The deadline for nominations for the award to be made at the Fall 2008 Conference is August 1, 2008.
